Trunks needed for Saint Louis Center Trunk or Treat

Chelsea, Michigan, October 13, 2021 Saint Louis Center, located in Chelsea, MI will be hosting a “Trunk or Treat” event for the 50 residents with intellectual and developmental disabilities who call the Center home on Thursday, October 28, 2021. Community members are invited to set up a treat station from the “trunk” of their vehicle and pass out sweet treats to the residents. The event will take place around 6 PM and will run until approximately 7:30 PM. All trunks will need to be ready to visit by 6:00, however an earlier arrival may be necessary to set up your area. Costumes and trunk decorations are never mandatory, but are highly encouraged. Community members are welcome to bring family members and friends to participate in trick or treating alongside our residents.

To sign up for this spooky and fun event, donate candy, or for questions related to the event please contact Thomas Arbanas at (734)475-8430.

St. Louis Center was founded in 1960 and is a residential community for individuals with intellectual and developmental disabilities (I/DD). Currently, 50 men and women from age 18 – 80 live on our 180-acre campus. They have a variety of conditions, including Down syndrome, fetal alcohol syndrome, metabolic disorders and autism. They attend school until the age of 26 and after graduation, go to work in the community, participate in occupational training programs, or, for those who are

St. Louis Center is a caring, residential, family living and learning environment providing for the physical, emotional and spiritual needs of adults with developmental disabilities.
