FOR IMMEDIATE RELEASE

Chelsea, MI

St. Louis Center is delighted to announce our **Kitchen Rededication Celebration** on **September 26th at 10:30 am** in the Center's atrium. As part of the celebration, we will host a special tour showcasing our newly renovated kitchen.

After nearly sixty years without any updates, this much-needed renovation marks a **significant milestone** for our facility. The kitchen is essential to daily life at St. Louis Center, especially considering that 87% of our residents require specialized diets. These dietary needs add considerable complexity to meal preparation, but with the newly enhanced kitchen, we are now better equipped to meet these challenges with efficiency and care.

The entire St. Louis Center community, including our dedicated kitchen and support staff, is eager to share this **exciting transformation** with you in gratitude for all who contributed to its successful completion. We look forward to celebrating this important achievement and the positive impact it will have on our residents' well-being!

This event is **free of charge**, but we kindly ask that you **RSVP** to confirm your attendance when you [CLICK HERE](#) or visit our event page: <https://stlouiscenter.org/event/2024-kitchen-dedication/>

Event Highlights:

- Ribbon-cutting ceremony
- Complimentary gift of appreciation
- Charcuterie and light refreshments
