June 23, 2025

Dear Friends,

Greetings in the Name of the Lord!

On behalf of St. Louis Center and the men and women with intellectual and developmental disabilities who are entrusted to our care, we thank you for participating in the 31st Annual Golf & Glory Tournament.

We are pleased to once again offer our well-established outing format - a shotgun start, a social dinner following golf, a wine auction and drawing of the Alaskan Cruise Raffle winner, and, of course, camaraderie throughout the day. We thank our Planning Committee and all the volunteers who work diligently to make this event a great success year after year. Their commitment in supporting St. Louis Center by continuing this tradition is simply remarkable.

The Golf & Glory Tournament continues to be a major and growing source of funding for the Center. Proceeds help offset the increased operational costs that result from inflation and the continued labor shortage. A huge thank you to the many individuals, organizations, businesses and corporations that support the Golf & Glory Tournament!

We are honored to be holding this event once again at the beautiful University of Michigan Golf Course. Their wonderful staff take care of all the details so that our event runs smoothly.

As is customary, today we will honor members of our community for their longtime support of the Center.

Finally, we give thanks to the many leaders from business, sports and the Catholic Church who graciously lend their names to our Honorary Committee.

June is a beautiful time of year to get outside to celebrate with joy the wonderful gift of life bestowed on all of us from God. Again, thank you, and may God bless you for your support.

Sincerely,

*Fr. Satheesh*

### Bill Wagner Pioneer Award

#### **Virginia “Ginny” Wheaton**

In August 1978, Ginny came to work at the Center to fill in for her neighbor who was going on vacation. Sr. Lucy, who was in charge of the kitchen at the time, wouldn't let Ginny leave. Thus began Ginny's 36-year career as the kitchen manager. Over the years, she also helped in housekeeping and on rare occasions direct care.

In 2015, Ginny retired to nurse a shoulder injury back to health. When she returned, she took on a less physically strenuous role, assisting in the nursing office and with the finance department.

Many people in Chelsea know Ginny from her work in the local community, particularly managing the kitchen every year during the Chelsea Community Fair.

Ginny has one daughter and one son, Shelley and Jeffrey; and three grandchildren, Jared, Zachary and Victoria.

Now that Ginny is officially retired from St. Louis Center, she likes to spend time with friends and family, especially her grandkids. Some of her hobbies are cooking for everyone, bowling, playing cards with her card club, gardening and traveling Up North or to visit her brother, Dick.

While reflecting on her career at St. Louis Center, Ginny says, “I’ve always enjoyed working here with the kids, and I hope I was able to make a difference. I didn’t think I’d be here for 36 years when I started, but overall I enjoyed it. I see that St. Louis Center is growing, and I hope they’ll be able to keep it going.”
